Brunswick, April 4, 1807.

Mrss Sawyir: I received your letter hast evening, and was very glad you concluded to let metake your Saive. I think I can do seel with it, and it will be quite an accommodation to my husband, as he cannot get clong seithest if. He has tried everything close and has never found anything that healed his log as that Saive of yours, and we have both found it to be all, and even sure, then you recommend it to be. We have had it in the family five or six years, and have used it for everything, and on trails say us have never found its opinion. I meet if for a weak back, and it nets like a charm. Mr. Coomba has had a Feeer Sare on his less for hirty years, and would be a cripple to-day, if he had not found a reasofy in your Suive. It keeps it bealed, and takes out the inflammation, proud deals and swelling, and does for him all that he can nak. I can recommend it for a good many things that you have not, for I use it for everything. I consider it invaluable in a family. If you can put this testimony together, and it can be of any service to you, you are welcome. From Mrs. ELIZABETH COOMBS, Brunswick
